Court Ref No M4727/20. Hagfors Kommun v Varmland Enterprise AB. All documentation we have issued in this case is in English.

Court Case FT184/20 Hagfors Kommun v Varmland Enterprise AB. All documentation we have submitted is in English and the court often corresponds with us in English and we also wrote them a letter thanking them for writing in English. Our letter dated 9th June 2020.

All the above cases and correspondence, there has not been an issue with reference to the Swedish language and many other hearings and many other correspondence, we have only included a few with reference to our application for appeal.

Of course we are upset and disillusioned by this case, as just one case was picked out which of course we consider the supreme court must make a decision over.

Therefore, we look forward to you making a definite decision as to our case, but to cases generally within the public and court system in Sweden.
